

Jumping Pillow Price List (valid through August 1, 2011)

The idea of Jumping Pillows originated 19 years ago in Denmark. It is good fun and a healthy way of keeping kids (and even adults) entertained all day long. Since being introduced to the U.S. and Canada in 2005, Jumping Pillows have become a huge success in providing safe fun for guests of all ages.

INSTALLATION AND WARRANTY

The Jumping Pillow is a permanent installation, done by a trained team. It requires some excavation and takes one day to install. When used correctly, the pillow will give you many years of operation. The product comes with a **3-YEAR WEAR & TEAR WARRANTY** as well as 12 months installation warranty. A turnkey price is available which includes trench digging, sand barrier construction, supply of playground sand and clean-up. (POA as material costs vary state to state)

INSURANCE AND FINANCING

To date we have had no problem with insurers both local and national. Specialty national insurers such as Westland Insurance Services, Leavitt Recreation, HUB International, Evergreen Insurance, Farm Family Insurance and Gillingham & Associates Inc. are now very aware of the Jumping Pillow and have non-inhibitive and specific policy regarding insuring the Jumping Pillow. If your insurance company is unsure of our product, please have them make contact with us! Financing, if needed, is available through Clearview Financial. A 3% processing fee will be added for those who pay with credit card.

This discounted pricing available only to Agritourism operations when ordered through:
